

FLAVOR TO-GO

BUILD YOUR OWN PARTY PLATTERS

Flavor Party Platters are a fun way to Celebrate Sonoma County Style, anytime, with Family and Friends, or just for yourself. Here's how it works: You pick what you want by each item just like going to the candy store, so to speak (12 of those, 24 of these, etc.). Mix or match to build your own custom styled platters. It's a whole lot of fun. Don't forget to take a look at the Flavor Wine, Beer, & Beverages TO-GO at "special pricing" to pair up with your custom platters. We also have a selection of your favorite non-alcoholic Beverages TO-GO.
